Town Hall Meeting

With the Louisiana Tumor Registry, Louisiana Department of Health and LSU Health New Orleans School of Public Health

November 5, 2019
6 p.m.
Our Lady of Grace Church Gym
772 La. 44 | Reserve, LA 70084

What’s the purpose?
• To inform residents about a new cancer study and how community members can get involved.
• To address concerns about the Louisiana Tumor Registry not having information about all cancer cases in the community.

What can people do?
• Participate: Attend meetings, answer questions, be supportive of the project.
• Lead: A mix of community members and science experts will review the project’s plans, procedures and results.
• Provide information: To get the most accurate information, people may be asked to provide medical information. Privacy will be protected.
