We need your help to verify that the number of cancer cases reported in St. John Parish is accurate.

What To Look For

Our staff will be in teams of two and easily identified by their LSU Health shirt or sweatshirt, along with their LSU Health identification cards (see examples below). Wave if you see us in your neighborhood!

How You Can Help

Please take part in community meetings and fill out the survey when contacted by our field staff. Don’t forget to encourage your neighbors to participate too! Here’s how to contact us:

- Call **504-568-5858** to make an appointment with our field staff.
- Email **stjohn@lsuhsc.edu** if you have any questions, comments, or concerns.
- Follow our progress at [www.louisianacancer.org/st-john](http://www.louisianacancer.org/st-john).
